## MEMORY GAME

— CARD BACKING, CARD FRONT (PORTRAIT, SQUARE, LANDSCAPE)

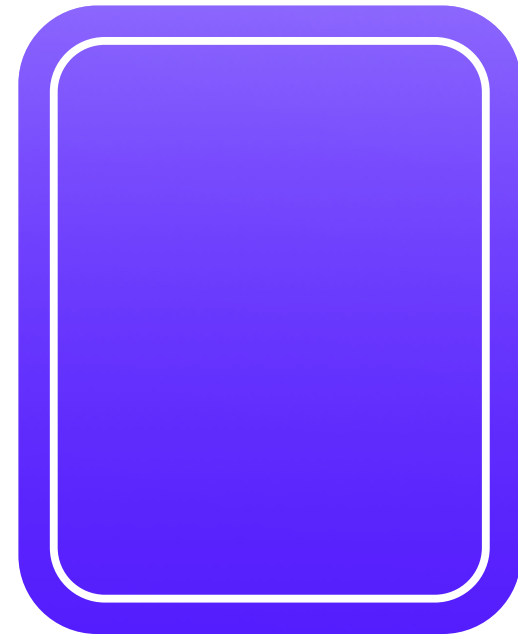

**Connect the pairs!**  
Find the pairs by flipping 1 card at a time and remembering the location of previous cards.

Start game

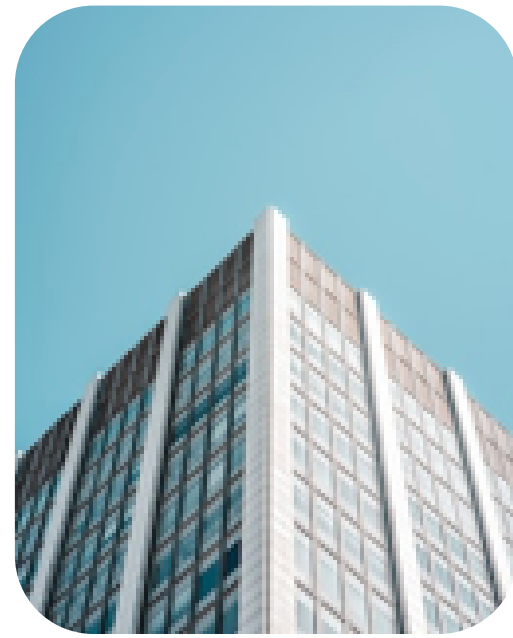

The image shows a memory game interface. It features a 4x4 grid of 16 cards. Two cards are already flipped, showing a photograph of a modern building. The other 14 cards are blue with a white border, representing the back of the cards. To the right of the grid, there is a heading 'Connect the pairs!' followed by a sub-instruction: 'Find the pairs by flipping 1 card at a time and remembering the location of previous cards.' Below this text is a blue button with the text 'Start game'.
